Laura Connelly-Smith, MBBCh, DM
Program Director
Fred Hutchinson Cancer Center – Cellular Therapeutics
1100 Eastlake Ave. E
Seattle WA, 98109

Dear Dr. Connelly-Smith,

The Fred Hutchinson Cancer Center – Cellular Therapeutics, located in Seattle Washington is currently accredited by the Foundation for the Accreditation of Cellular Therapy (FACT). Due to pandemic-related delays outside of the organization’s control, the accreditation renewal process has not been completed. The organization is in good standing and is in the process of renewing its FACT accreditation for:

Marrow and Peripheral Blood Cellular Therapy Product Collection
Cellular Therapy Product Processing with Minimal Manipulation

This organization’s current accreditation has been extended to February 12, 2025. FACT-accredited organizations are listed on the FACT website at <https://accredited.factglobal.org/>.

Thank you for your participation in FACT accreditation and your commitment to providing quality care and laboratory services in cellular therapy. Please contact us at any time if there are questions or concerns, or if you need additional information or assistance.

Sincerely,

Phyllis I. Warkentin, MD
