shRNA Library Storefront

User instructions for searching the shRNA database and submitting an order for individual clones.

Please note that access to the collection is limited to Fred Hutch labs only.

Overview

You must have a HutchNetID and be on the Center network in order to access the storefront. Click here: <https://vectorbase.fredhutch.org>

Instructions

Click "Individual Clones" at the top of the page and use the category filters to search for specific items.

Click the shopping cart icon at the right of a specific item to add it to your cart, then click the shopping cart icon at the top of the page to view cart and complete the order.
